ANNIVERSARY/BIRTHDAY CARDS

Would you or your group like to give someone an anniversary or birthday card? *It's easy!*

Simply input their sobriety date above and then click the "view your card" button below.

When you click that button, the card will be visible and you can print it from there by using the print icon or option on your computer. When the printer box opens, make sure that the page orientation is set to landscape.

This is a great new way to celebrate these milestones as an individual or as a group!

“Grapevine Daily Quote December 25

"I never thought that a day like today would be a high point of my life. All that excitement that I used to crave and strive for was not there. I don't have to live on the edge anymore. And tonight as I lay my head on my pillow I can't think of one single thing that I did today that I have to go back and redo and make amends for."
